

Resetting a forgotten password

From the HOME page of the website, you can easily and securely reset your password. To begin, click the "log in" link in the top right. Next, click the "Forgot password?" link next to the log in button. You'll see a new page asking for you to enter the email address on your account. Shortly after you submit this form, you'll receive an email with a link to reset your password. The link has an expiration date, so be sure to use it once you receive it. Finally, choose a new password and submit the form.
