

How to have an event uploaded to the Community Calendar

If you have a flyer for a state day, party, or special event etc., forward it to either Jamie Cerri (jamiekin54@yahoo.com) or Louise Lawson (clawson51@tampabay.rr.com)

If no flyer, you can forward all the pertinent information such as Name of event, Location of event, Date of event. Start and End times of the event, when the doors open. Tickets are available from, cost, and anything else you feel is important. Jamie and Louise will make sure it is added to the calendar.
